## Four Options Available to Meet your Storage Needs

Monitor not included

### OPTION 1 – STARTER TOOL STORAGE SET

**Part Number: 688-MTSHW-3/35**

**Dealer Price: \$7,280**

This solution provides:

- Storage for small and medium-sized essential tools
- 35 drawers with compartments for over 890 tools
- Overall dimensions 10' 1" wide x 28.5" deep x 54.5" high
- NOTE: 30 large tools of the essential tools shipped from 2008 to June 2011 have been designated in Top Shelf Cabinets. Option 1 does not include Top Shelf Cabinets; dealer will need to find an alternate storage space for these 30 tools.

### OPTION 3 – LEGACY CABINET WITH TOP SHELF CABINET

**Part Number: 688-MTSHW-1/13**

**Dealer Price: \$2,875**

This solution provides:

- Storage for small, medium and large tools
- 11 drawers with compartments for over 250 tools
- Locks keyed to match existing cabinets
- Partitions factory installed
- Versatile layout provides a wide range of drawer and compartment sizes
- Top Shelf Cabinet for large tools includes:
  - Locking cabinet with double hinged doors, bottom shelf and 1 adjustable shelf
  - 2 shelves with 12 square feet / 30 cubic feet of bulk storage
  - Top Shelf Cabinet is stacked and pre-bolted to drawer cabinet at factory
- Overall dimensions 40.25" wide x 28.5" deep x 88" high

Monitor not included

### OPTION 2 – TOOL STORAGE SET WITH TOP SHELF CABINETS

**Part Number: 688-MTSHW-3/39**

**Dealer Price: \$8,450**

This solution provides:

- Storage for all required tools plus expansion for small, medium and large tools
- 35 drawers with compartments for over 890 tools as in Option 1
- Top Shelf Cabinets for large tools include:
  - 2 locking cabinets with double hinged doors, bottom shelf and 1 adjustable shelf
  - 4 shelves with 24 square feet / 60 cubic feet of bulk storage
  - Top Shelf Cabinets are stacked and pre-bolted to drawer cabinet at factory
- Overall dimensions 10' 1" wide x 28.5" deep x 88" high
- See front cover for full details

### OPTION 4 – LEGACY/EXPANSION TOOLS CABINET

**Part Number: 688-MTSHW-1/11**

**Dealer Price: \$2,285**

This solution provides:

- Storage for small, medium and large tools
- 11 drawers with compartments for over 250 tools
- Locks keyed to match existing cabinets
- Partitions factory installed
- Versatile layout provides a wide range of drawer and compartment sizes
- Overall dimensions 40.25" wide x 28.5" deep x 54.5" high (66 square feet)
